

ACCESSORIES

**WireScope 350**      **LAN Cable Certification**

### Miscellaneous Accessories

#### Hard Carrying Case

Provides rugged protection for your WireScope 350. Includes exact custom cut outs for the WireScope 350, DualRemote 350, Fiber SmartProbes, AC power supplies and other adapters. The front lid features a cushioned fall board to provide secure storage and protection of all cable accessories and manuals.

Price \$135.00 (N2605A-134)

#### Nylon Carrying Case

Carry your WireScope 350 analyzers, cables, probes, and other accessories in this large nylon case with shoulder strap and grip handle.

Price \$100.00 (N2605A-092)

#### CompactFlash™ Memory Module (32MB)

Full test and plot data can be saved on removable Compact Flash memory cards, providing expandable capacity and easy transfer of test results.

Price \$210.00 (N2605A-093)

#### PC Serial Port Cable (8-pin DIN to DB9)

For connecting the WireScope 350 to a PC to upload test results.

Price \$64.00 (N2584A-003)

#### CompactFlash™ Memory Reader (Parallel Port)

The Parallel Port External Drive easily connects to your printer port and sits on your desk, acting like a removable disk drive, treating the CompactFlash™ card like a diskette.

Price \$120.00 (N2605A-095)

#### USB Cable

Next generation universal serial bus cable transfers data up to 100 times faster than a standard serial port cable.

Price \$64.00 (N2605A-097)

#### Talk Set Kit

Set of two (2) talk sets for operation with the WireScope 350 and DualRemote 350. Includes volume and mute control.

Price \$100.00 (N2605A-137)

#### Universal Cat 6 Link SmartProbe

For testing all cabling up to Cat 6 / Class E links.

Price \$125.00 (N2604A-101)

#### Auto Lighter DC Power Adapter

Convenient power adapter allows charging of WireScope and Dual Remote while on the road or in areas with limited power outlets.

Price \$40.00 (N2595A-094)

#### Universal Cat 6 Channel SmartProbe

For testing all cabling up to Cat 6 / Class E channel links.

Price \$125.00 (N2604A-100)

#### Manufacturer Specific Cat 6 Test Probes

Specifically designed using manufacturer patch cord & plug for testing Cat 6 / Class E links.

Price \$125.00

Visit [www.wirescope.comms.agilent.com](http://www.wirescope.comms.agilent.com) for a list of available probes and part numbers.

### Cat 5E Shielded Link Test Probe

For testing all cabling up to Cat 5E / Class D shielded links.  
Price \$60.00 (N2594A-012)

### Cat 5E Unshielded Link Test Probe

For testing all cabling up to Cat 5E / Class D links.  
Price \$60.00 (N2594A-013)

### Cat 5E Shielded Channel Test Probe

For testing all cabling up to Cat 5E / Class D shielded or unshielded channels.  
Price \$60.00 (N2594A-014)

### Replacement Accessories Bundle Includes:

- **Replacement Stylus** - For use with the WireScope 350 touch screen.
- **Replacement Screen Cover** - Snap on screen cover encloses the color touch screen to offer protection against minor impacts.
- **Replacement Hanging Strap** - Make it easy to hang the WireScope 350 on an equipment rack or patch field using the hanging strap that attaches to the tester via the integrated hanging lugs.

Price \$25.00 (N2605A-090)

### Removable Battery Pack

NiMH rechargeable battery pack that provides up to 9 hours worth of charge for the WireScope 350 and the Dual Remote 350.

Price \$150.00 (N2605A-135)

### Coax Test Probe

For Testing Coaxial Cable.  
Price \$125.00 (N2604A-200)

### ScopeData Pro User's Guide

A complete manual for ScopeData Pro software.  
Price \$50.00 (N2605A-071)

### WireScope 350 User's Guide

A complete manual for the WireScope 350.  
Price \$50.00 (N2605A-070)

### AC Power Adapter (120 Volt)

For powering up or recharging the WireScope from a 120V AC power source.  
Price \$68.00 (N2595A-110)

### AC Power Adapter (220 Volt)

For powering up or recharging the WireScope from a 220V AC power source.  
Price \$68.00 (N2595A-210)

Note: All pricing is listed in U.S. Dollars
